

Thank you for the privilege of presenting this opportunity to you. As you may know, the NAS Patuxent River Air Show '26 will be taking place June 20 and 21 of this year. Our air show committee has already confirmed the 2026 lineup to include the US Navy Blue Angels, and many more! The Pax River Air Show has been a staple in Southern Maryland and we anticipate it being an amazing weekend for NAS Patuxent River and for the surrounding community. The estimated attendance for the air show has been set at over 120,000 people over a two day period.

In sending this to you, we are hoping that your organization will take advantage of an amazing opportunity to be a part of the Air Show. We believe that being an exhibitor on our Show Site will help you reach a wide demographic and help generate a number of leads for your organization.

Please see below for more Show Site Vendor details:
